

Extra Classes: Saturday 15 and Sunday 16 August 2026

Two classes each day. Every class falls on the same calendar day in all time zones.

East Africa does not change clocks. United States times are on daylight saving through October.

Notes

- In East Africa the pattern is the same on both days: **Class 1 is an afternoon class, Class 2 is a late night class.**
- **If you cannot make a class, do not worry.** Both classes are recorded and go up on your dashboard right after we finish, so you can watch in your own time.
- Check your own clock against the column for your zone rather than converting in your head.
